Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

Ndoto works to give at-risk youth and adults in Kenya hope for a brighter future through education, discipleship, and development. Our mission is to educate, disciple, and develop people and their communities to make their dreams a reality, glorify God, and use their gifts to transform their community.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 132,898 including grants of \$ 103,719) (Revenue \$ 0)

Student Sponsorship. Ndoto's student sponsorship program supports education and discipleship in Kenya. Through Ndoto's grants to Ndoto Kenya, 290 students were sponsored in 2020. These students were enrolled in schools from kindergarten through university. They received basic school supplies, medical care, and tuition and fees. Ndoto Kenya employs full-time staff to care for the students' spiritual, emotional, and physical needs. Ndoto Kenya hosts student retreats, service days, Bible studies, and more for sponsored students. Ndoto accepted 65 new students in 2020, its second-largest class ever. 2020 was a challenging year for students in Kenya, as schools were closed for most of the year. Ndoto did not rest, however, doing followup with all our students, distributing food to at-risk families, and maintaining handwashing stations throughout the community. Ndoto opened a library for students to study and stay academically sharp through tutoring and access to educational materials. Ndoto program expenditures decreased dramatically in 2020, however, as school expenditures were 62% of Kenya expenditures in 2019. The Ndoto Community Church is supported through the Sponsorship program, though it is open to the entire community. The church has hundreds of members and operated in 2020 as best as it could given government coronavirus restrictions. When gatherings were not possible, the church visited members individually.

4b (Code:) (Expenses \$ 9,085 including grants of \$ 86) (Revenue \$ 0)

Visiting Missionary. Visiting missionaries are an important part of Ndoto's work in the US and in Kenya. Travelers from the US serve several important functions. They are valuable volunteers on the ground in Kenya. They help to transport supplies across continents. They encourage Ndoto's students, particularly when sponsors get to meet the students they are matched with. Visiting missionaries is also an important part of Ndoto's development work, as travelers who aren't already Ndoto supporters often return home as new supporters. They become ambassadors for Ndoto, sharing the word about the good work being done. In 2020, Ndoto hosted 6 visiting missionaries in Kenya. Ndoto also continued to host a Kenyan missionary in the US, as a director at Ndoto Kenya visited the US in late 2020 and helped to share about the mission in Kenya.

4c (Code:) (Expenses \$ 7,773 including grants of \$ 498) (Revenue \$ 0)

Economic Development. Ndoto's third objective is development. If people in the community are able to access stable jobs that pay a living wage, then many of the challenges facing the community will disappear. Therefore Ndoto Kenya works to create sustained economic development in two ways: starting businesses directly and providing training and support for existing business leaders in the community. In 2020, Ndoto started a gym in the community, the first of its kind in the slum. With a daily fee for entry, the gym hosted individuals and groups for exercise, including boxing classes with a local expert. The gym featured an elliptical machine, which is nearly impossible to find in our city. Ndoto Kenya also purchased a small plot of land close to the current compound for expanding programs and job creation. Development of the land was delayed by the pandemic but new construction is planned. Ndoto Kenya also continued to research and lay the groundwork for a future school called the Ndoto Academy.

Schedule F, Part I, Line 2 - At this time, Ndoto only provides grants to a single Kenyan registered non-governmental organization, which bears the same name, Ndoto (referred to henceforth as NdotoKE). The two organizations entered into a formal agreement at the beginning of 2016. Ndoto fundraises in the US and grants money to NdotoKE. The Board of Directors of Ndoto approves an annual grant amount, based on a recommendation from NdotoKE, and the amount is disbursed monthly as needed by NdotoKE up to but not exceeding the total approved amount. The total grant amount is recorded in Board actions as well as in the organization's bookkeeping. As the Executive Director of Ndoto is the Board Chair of NdotoKE, information about the activities, including financial records, of NdotoKE are freely shared with Ndoto. NdotoKE carefully vets the recipients of its aid, and stays in close contact with those beneficiaries throughout their time with the organization. No money is ever given to beneficiaries or their families directly. All expenses are documented carefully. When these funds are used in Kenya, there are clear and well-followed procedures to ensure transparency, honesty, and the correct usage of funds. Substantial cash is rarely on hand in Kenya, and the organization follows a proper division of roles to demonstrate that no fraud or loss has taken place. Details on the vetting and monitoring process of NdotoKE, as well as the transparency and accuracy procedures of NdotoKE's financial recordkeeping, are available upon request.

Form 990, Part VI, Section B, Line 11b - This Form 990 is prepared annually by the chief financial officer, then reviewed carefully with the bookkeeper and the Executive Director. Once it has been completed, it is distributed to the Ndotto Board of Directors, who review it and approve it by vote prior to its submission to the IRS.

Form 990, Part VI, Section B, Line 12c - The voting and non-voting members of the Board of Directors, including officers and key employees of the organization, are required annually to sign a statement indicating that they are aware of no conflict of interest arising within the past 12 months and that if any conflict of interest arises in the next 12 months, they will immediately disclose any such activity and seek to end the conflict. The statement also includes a form asking them to disclose specifically any business transactions with Ndotto, indebtedness to Ndotto, personal benefits received from Ndotto, legal proceedings involving Ndotto, and family or business relationships with other officers or directors. The Chair of the Board shall determine whether an unacceptable conflict of interest exists and arrange with the party to cease any inappropriate activity. If the Chair has potential conflict of interest, the Vice Chair and the Secretary shall determine if the unacceptable conflict exists and arrange for it to cease. Unsettled matters shall be reported to the Board for appropriate action. Any inappropriate activity must cease or their position must be vacated. Any violations of the conflict of interest policy must be documented prior to any transaction. A transaction may be taken when a conflict of interest exists if: (a) the officer or staff of Ndotto is excluded from the discussions and approval, (b) a competitive bid or valuation exists, and (c) the Board of Directors determines that the transaction is in the best interests of Ndotto.

Form 990, Part VI, Section B, Line 15 - The Executive Director is responsible for setting the salaries of all employees at Ndotto. The Executive Director will consider the education, experience, value added, and performance of the employee in setting salaries. In evaluating the value added by the employee, the Executive Director will consider to what extent the organization needs the services to be offered, including the size of the employee's responsibility. Special qualifications of the employee may be taken into account. Employee salaries must be considered in relation to the salaries of other employees at Ndotto, as well as regularly considered in relation to the salaries of comparable positions at comparable charitable organizations. In offering raises, the Executive Director shall evaluate employees and give the employee feedback about his or her performance. Raises beyond a cost-of-living increase may be offered based on the following qualifications: high-quality performance, expansion of responsibility, and expansion of capacity including new education. In evaluating raises, the Executive Director will consider cost of living as well as a comparative compensation guide. The Executive Director is not obligated to offer any raise or cost-of-living adjustment to employees. The initial salaries of all employees are documented in the employment agreement, and future adjustment to salaries is documented on a standard form that provides a rationale and is signed by the Executive Director and the employee. In evaluating the compensation of the Executive Director, the Board will be led by Christian ethics to address compensation issues and establish an appropriate compensation level. General factors to be considered in establishing adequate compensation include: commitment, education, experience, responsibility, and performance. Appropriate non-profit organization compensation data is identified and utilized to help ensure alignment with similar positions in similar non-profit organizations. The desired end product of any compensation calculation and decision will be an appropriate and adequate level of total compensation, not the size of any year-to-year change. The initial salary and process for determining the salary is documented by the Board of Directors and the salary is documented in the employment agreement. Any future adjustments to salary are documented by decision-making process using the same standard form as the employees, signed by the Board Chair. This process is followed annually in December and January when the compensation of the Executive Director is set.

Form 990, Part VI, Section C, Line 19 - Ndotto makes all governing documents available upon request to any individual. Physical copies are maintained in the Ndotto office, and electronic copies are maintained and available upon request. Its conflict of interest policy is also available in electronic or hardcopy format upon request. Its financial statements are hosted on GuideStar, and are available in hardcopy or electronic format upon request.
